Goodbye, Captain!

Bodo SCHOLL

† March 31st 2019

The IKD learnt with great sadness of the death of its former long serving BDD Representative, Bodo Scholl from Germany.

Bodo, a true hanseatic man, quiet, straight and well known in the German investigation business, serving and actively participating as he did in the IKD and its founding associations will be dearly missed by all members and affiliates of the IKD as in deed he will from the investigation world in total.

A gentleman in manners and apparel, with typical modest sense of humour and a prudent advisor at all conferences he attended, which for the international arena was of significance, Bodo merits our highest recognition.

On behalf of the IKD Executive, member organisations and wider individual membership we pay tribute to the Captain who will remain embedded in history. We offer our sincere condolences to all bereaved.
