Description	The BuDEG was formed in 2023 by the merger of the two largest professional investigator associations in Germany. It is the only federal association in Germany for professional investigators in the private sector and for people working in related investigative activities. The main goal of the Federal Association is to strengthen the acceptance of the industry by developing training and professional networking opportunities, establishing quality and competency standards, and fighting for government regulation of the private investigator profession in Germany.
Code of Ethics	yes, since 2013
Directory of Members	online, <a href="https://budeg.de/mitgliedersuche/">https://budeg.de/mitgliedersuche/</a>
